Procedure for Violations

Minor problems should be handled in the patrol. The Senior Patrol Leader may assist in resolving such disputes.

For more serious or repeated problems, the following progressive steps will normally be followed:

- 1. Counseling/warning by an adult leader
- 2. Time out from a particular activity
- 3. Notice to parents of the misconduct, and removal from the campout or other event
- 4. Suspension from Troop activities or other punishment as determined by the Patrol Leaders' Council
- 5. Referral to the Troop Committee to determine the conditions under which the offender can remain a member of the Troop

While these are the normal steps, the circumstances or severity of a particular act of misconduct may require a more serious punishment, even for a first offense.
